**Submissions by post only to: Tricks of the Light, Orleans House Gallery,

Through its annual open exhibition opportunities, Orleans House Gallery in Twickenham helps artists locally and nationally to showcase their work in group exhibitions at Orleans House Gallery and Stables Gallery in Twickenham and the Riverside Gallery in Richmond.

For centuries, artists have attempted to capture the effects of light - from the dramatic chiaroscuro works of 16th century artist Caravaggio, to the colourful, vibrant plein air oils of the 19th century French Impressionists.

This open exhibition brings together contemporary artists working in a range of media who examine and explore the interplay and effects of light in art.

Artists can submit up to 5 works. Artworks must be submitted as A4 good quality print outs. In addition, please save the images onto a CD or memory stick as jpeg files. Original artwork or emailed submissions will **not** be accepted.

Please clearly label each submission with: artist's name, title of work, date, media, approximate size and sale price (to include the gallery's 40% commission + 20% VAT on the 40% commission). Please enclose contact details including email and postal address and contact telephone numbers, an artist's statement and CV. Please complete and return the accompanying submission form.

There is a £10.00 total administration charge (which contributes towards exhibition costs); £7.50 concessions (students, retired, unwaged, benefits). This is for up to a total of 5 works submitted. Please include proof of concession. Please make cheques payable to 'L.B.R.U.T'. You can also pay by card by calling the gallery on 020 8831 6000. Your submission will not be accepted without payment. If you would like submissions returned, please enclose a stamped self-addressed envelope. Successful artists will be contacted by phone or email about a week after the deadline.
