

Grants for heating systems and insulation*

Coldbusters is a London Borough of Richmond upon Thames approved scheme which supports residents to make their home more energy efficient by offering grants. Grants are available to residents who live in either privately owned or rented accommodation. See eligibility criteria overleaf.

Residents who meet qualifying criteria could receive a grant* to cover the cost of energy efficiency measures such as:

- Central heating system
- Boiler replacement
- Cavity wall insulation
- Loft insulation
- Draught proofing

Call today to discuss your needs with one of our energy advisers on **0800 118 2327** and quote ref: **Coldbusters_Rich2**.
