Vision & Strategic Plan 2018-2021
INTRODUCTION

The Richmond and Wandsworth Safeguarding Adults Board (SAB) is a statutory, multi-agency partnership coordinated by the local authority. It oversees and leads adult safeguarding across the Richmond and Wandsworth Council areas. The main objective of the SAB is to ensure that safeguarding arrangements across the partnership work effectively to prevent abuse and neglect and to protect people with care and support needs who may be at risk of abuse and neglect.

The strategic plan is a statutory requirement and its main purpose is to:

- specify the actions required by the SAB and partner agencies to implement the strategy
- inform the local community and all interested parties, including practitioners, about the work Programme of the SAB.

This document sets out the Board’s Vision and its Strategic Plan for the period 2018-2021. The draft was subject to professional and public consultation during April and May 2018. The SAB will set out its annual priorities in the SAB’s annual business plan and report in the SAB annual report to what extend objective have been achieve by the SAB and its partner agencies.

All agencies will work together and commit to ensuring that Safeguarding is Everybody’s Business. This will be done by:

- Raising awareness about abuse
- Preventing abuse from happening wherever possible
- Reporting and responding to concerns and incidents of harm and abuse
- Sharing information and intelligence to reduce and remove risk
