Our Ref: 2245_L_2/19_Meadway Consult

1 February 2019

Dear Resident / Occupier

Meadway Parking Consultation – Questionnaire for Completion

The Council is consulting residents and businesses in Meadway and the Park Crescent cul de sac area on the possibility of implementing parking controls. See yellow shaded area on the attached drawing.

This consultation follows the receipt of a petition from residents in Meadway, asking for this road to be included in the existing West Twickenham Controlled Parking Zone (CPZ, Zone WT). It is understood that residents of this road have regularly experienced difficulties in finding a parking space near to their home due to the parking of vehicles by non-residents.

If there is support to introduce parking controls in your road, the Council will consider developing proposals in the form of an extension of nearby existing Zone WT, which operates (8.30am to 6.30pm, Monday to Saturday).

If Zone WT is extended to your road, residents, their visitors and businesses wishing to park on street during the operational times will be required to purchase / display a valid parking permit, unless you live in a property subject to a S106 Planning Agreement which restricts or prohibits the issue of permits:-

Resident and business permit prices

1st Annual resident permit price: £82.50

1st Annual business permit price: £282

Subsequent permits purchased per household / business per year are approximately 50% more for the 2nd permit issued and approximately 50% more again for 3rd and subsequent permits issued per household / business.

Resident visitor permits

Resident visitor permits (scratchcards) cost £13.20 per book of ten half day permits. These are half price to the over 60s. The permit must be validated for the relevant time period. Two permits, correctly validated, would be required for one full day's parking in Zone WT.

Please note that the above costs are currently being reviewed and may be subject to change in the future. Information on how CPZs work including all parking charges can be found on the Council website www.richmond.gov.uk/controlled_parking_zones.

There are two ways of providing your response:

Online survey

Please complete the online survey by entering this link into your internet browser (such as Safari, Chrome or Explorer), **not** an online search engine (such as Google or Yahoo).

<https://haveyoursay.citizenspace.com/richmondcs/39ac87a9>

Paper questionnaire

Alternatively, please complete the enclosed questionnaire and return it in the postage paid envelope.

Please ensure we have received your responses by **Monday 8 March 2019**.

The Council would like to demonstrate that any measures have the support of local residents so a good response is very important, although the Council will not base its decision on residents' wishes alone. All feedback to this consultation will be considered by the Cabinet Member for Transport, Streetscene and Air Quality along with all relevant traffic management and other highway factors, prior to a decision being made on the way forward.

Further information on this consultation/review, can be viewed by visiting the webpage below or by calling the Customer Service Centre on 020 8891 1411.
