

Whitton Central - Design related enquiries

Resident	Officer response	Resident comment
1	Explained support for CPZ and times during consultation.	Against CPZ and times.
	Explained Exp TMO and 6 month review.	School problems outside CPZ hours.
	Design includes Double Yellow Lines (DYL) on junctions.	Should be no parking on junctions.
	Design allows parking but can change later if issues arise and supported.	Should be no parking in front of drives.
	Forwarded to Traffic team and road safety officer.	Road safety/20 mph zone
	Provided costs	Request for permit costs
2	Noted concerns. Will advertise, provide regular enforcement and amend during initial stages if necessary.	Concerned that low level signs and lines won't be effective. Need more especially in front of dropped kerbs.
3	Op hours resulted from consultation. Will be reviewed. Separate consultation for Whitton High St.	Operational hours should be 7-9am. Concerned about effect on Whitton High St.
