**SUSTAINABLE CONSTRUCTION CHECKLIST SUPPLEMENTARY PLANNING
DOCUMENT (SPD)**

ADOPTION STATEMENT

In accordance with Regulation 14 of the Town and Country Planning (Local Planning) (England) Regulations 2012 (As amended), notice is hereby given that the Sustainable Construction Checklist Supplementary Planning Document (SPD) was formally adopted by the Council on 2nd June 2020.

The Sustainable Construction Checklist SPD provides guidance for developers when preparing and submitting planning applications by setting out detailed information about what is required in terms of sustainability, including the completion of an energy statement. The Sustainable Construction Checklist SPD forms part of the Council's planning policy framework and is now a material consideration in the determination of planning applications.

Details of the decision by the Environment, Sustainability, Culture and Sports Committee, including the committee report, the final version of the SPD and the responses received to the consultation that took place between 13 December 2019 and 27 January 2020 are available on the Council's website:

If you are unable to access the Sustainable Construction Checklist SPD online, you can request a hard copy by emailing LocalPlan@Richmond.gov.uk. Due to the implications of COVID-19 and the closure of all borough's libraries as well as the Civic Centre reception in Twickenham until further notice, the documents cannot be made available for inspection.

Any person with sufficient interest in the decision to adopt the Supplementary Planning Document listed above may apply to the High Court for permission to apply for judicial review of the Council's decision to adopt the SPD. Any such application must be made promptly and in any event not later than 3 months after the date on which this Supplementary Planning Document was adopted (2nd June 2020).
