

never leave
your car
on if you
do not
need it

Try not
to use your
car if
you don't
need to

Use a
bike, scooter,
skateboard
or walk

Protect the
environment!

Save animals
Homes

Electric Cars
are better than
Gas Cars.

If you recycle it
will be better than
throwing it away but
recycling is best.

If you have a lot
of spare bottles and
boxes you could make
something for a
or family member. friend

If you
recycle they
go to a factory
which causes pollution.
Pollution is bad for
nature, animals, the
environment and our
air.

If you can
sure you reuse make
single use plastic a
bottle.

Save The
Animals!!!

No
more
Pollution

SAVE
Nature!!!
