Eligibility

Your business address

To qualify for a business parking permit your business address as given on your application form must

- Be within the controlled parking zone as defined by the Parking Places Order for that zone; except 'All Zone' business permits which are available to any business located within the London Borough of Richmond upon Thames
- Be used for non-residential purposes
- Not have a restriction on the issue of business parking permits because of a planning agreement under Section 106 of the Town and Country Planning Act 1990 as amended.

Period

Business parking permits are available in durations of 3 months, 6 months and 1 year. Permits start from the date of issue unless a renewal of a current permit, in which case the new permit will run from the day following the expiry of the current permit.

Number of permits

Each business will normally be allowed a maximum of 5 current business permits, unless otherwise authorised by the Council, except when renewing immediately before the expiry of current permit(s).

Permit holder's vehicle

Must be a passenger vehicle or a goods carrying vehicle the overall height of which does not exceed 2.5 metres and the overall length of which does not exceed 5.25 metres.

Transferable or vehicle specific permits

Applicants may opt for **either** transferable permits **or** vehicle specific permits. Transferable permits may be used on any employee or business owned vehicles, other than free Band A vehicle permits which may only be used on employee or business owned vehicles first registered on or after 01/03/2001 with engine CO2 emissions of 100g/Km or less. Vehicle specific permits may only be used on the vehicle whose registration is that printed on the permit.

How to apply

All applications must be completed, **signed**, and submitted with copies of your proofs and payment (where required). Unsigned forms or those without proofs and payment (where required) will not be processed.

Via email: scan and send to parkingpermits@richmond.gov.uk By post: Parking Permits, PO Box 466, Twickenham TW1 9JT

Proofs

The Council must be satisfied when you apply for or hold business parking permits, that you are entitled to them, i.e.

 That your business operates from and is located within the relevant controlled parking zone, or within the London Borough of Richmond upon Thames if applying for 'All Zone' permits

And in the case of vehicle specific permits

- That your employees own or are authorised to drive the vehicles for which the permits have been issued
- That for free Band A vehicle permits that the vehicle was first registered on or after 01/03/2001 and has engine CO2 emissions of 100g/Km or less.

Although the Council may not ask for proofs on renewal, proofs may be requested at any time. If you cannot prove continued eligibility, then the Council will invalidate your permits and a vehicle may be liable for a Penalty Charge Notice if found to be displaying any of the permits for parking.

Permit cost

The cost of permits is based on

- The duration of the permit
- The controlled parking zone the permit is for
- Whether the permit is the first, second, or 3+ currently issued to the business
- Whether the vehicle is Band A (first registered on or after 01/03/2001 with engine CO2 emissions of 100g/Km or less) and so eligible for free permits.

Band A vehicle permits are free of charge.

		First			Second			3+ Permit

Information on how refunds are calculated can be found under Refunds.

Payment and receipts

Paying by cheque or postal order

Please make cheques or postal orders payable to 'LBRuT'

Paying by BACS

Make payment with reference 'Business Parking' and your postcode to

- NatWest Bank
- Sort code 60-22-03
- Account 63459523

Receipts

Your permit letter will include a printed tear-off receipt to the bottom-left.

Failed payments

Bounced cheques will invalidate any permit(s) issued and will incur a £10 administration fee.

How to use your business parking permit

Each new permit will be issued together with a protective cover which should be affixed to the inside of the vehicle's windscreen on the nearside. The permit must be displayed on the vehicle in such a way that the particulars are readily visible from the front or nearside of the vehicle.

Where to park

A permit will not reserve the holder a right to park in a specific parking bay.

A permit will enable the holder to park in any vacant on-street business parking permit holder's space, or if applicable, shared use space within the zone of issue between the hours displayed on signs at the entry points to the zone, and in some cases, on signs adjacent to the parking bays, subject to any parking suspension that may occur. Parking places are not controlled outside of the zones restricted hours.

Permits are only valid in the zone of issue as shown on the permit by a letter(s) in the bottom right hand corner and on-street by the same letter(s) on sign plates. All-Zone permits are valid in any parking space where business or resident parking permits would otherwise be valid, except the business parking bay in zone A1.

Business parking permits are not valid in off-street car parks, pay and display bays, or in other zones **except** where otherwise stated by signs at the locations or in the table under **When and where business parking permits can be used**.

Suspensions

The Council regularly suspends bays from normal use for various reasons e.g., house moves. Any unauthorised vehicles found parked in a suspended bay may be liable for a Penalty Charge Notice. If the vehicle is to remain in the same bay for several days, then the employee should check daily for any suspension notices.

Change of vehicle - Transferable permits

These need to be updated **only** if the permit was issued to a Band A vehicle and you wish to transfer to a non-Band A vehicle, or vice versa.

Return the existing permit for a refund (if applicable) using the 'Application for a Parking Permit Refund' form and apply for a new permit using the 'Business Parking Permit Application Form'.

You can use the tear-off slip on the permit letter to park for 7 days whilst your permit is updated.

If the permit is not returned it will be treated as lost and you may be charged a £10 administration fee, see **Lost**, **stolen or damaged permits**. A vehicle displaying a permit declared lost will be liable for a Penalty Charge Notice if found to be using it.

Forms are available from the Council using the details under **More information**. There is no charge for the first reissue of a permit due to a change of vehicle within any 12 month period; however, subsequent reissues will incur a £10 administration fee.

Change of vehicle - Vehicle specific permits

A new permit must always be obtained in the event of a change of vehicle due to the change in registration number.

- The permit must be **updated** if the new and old vehicles are both Band A; or neither the new and old vehicles are Band A. Complete a 'Change of Vehicle' form and return with your permit to the Council.
- The permit must be **surrendered and replaced** if the permit was issued to a Band A vehicle and you wish to transfer to a non-Band A vehicle, or vice versa. Return the existing permit for a refund (if applicable) using the 'Application for a Parking Permit Refund' form and apply for a new permit using the 'Business Parking Permit Application Form'

You can use the tear-off slip on the permit letter to park for 7 days whilst your permit is updated.

If the permit is not returned it will be treated as lost and you may be charged a £10 administration fee, see **12. Lost, stolen or damaged permits**. A vehicle displaying a permit declared lost will be liable for a Penalty Charge Notice if found to be using it.

Forms are available from the Council using the details under **More information**. There is no charge for the first reissue of a permit due to a change of vehicle within any 12 month period; however, subsequent reissues will incur a £10 administration fee.

Change of address

If you change address within the same controlled parking zone, or you have 'All Zone' permits and have moved within the borough, then you must notify the Council using a 'Change of Address' form and provide proof of your new address.

You must return your existing permit(s) for a refund if you have moved outside the controlled parking zone for which the permit was issued; or for 'All Zone' permits if you move outside the borough.

Complete the 'Application for a Parking Permit Refund' form, available from the Council using the details under **More information**.

Lost, stolen or damaged permits

If a permit is lost, stolen or damaged, the permit holder must notify the Council immediately using a 'Declaration of Lost or Stolen Permit' form and the permit shall cease to be valid. If requested, a new permit will be issued for the unused period of the original permit.

A charge of £10 will be made for the issue of a replacement permit except when the permit was stolen and a police crime reference number is provided.

Renewing

The Council will normally send reminder letters or emails for business parking permits; however, the onus to renew the permit on its expiry rests with the permit holder.

Refunds

To apply for a refund, complete the 'Application for a Parking Permit Refund' form and return to the Council using the details under **More information**.

Refunds are available on permits with one or more full months remaining before the expiry date, at the time when the completed 'Application for a Parking Permit Refund' form and the permit are received by the Council.

Permits must be returned to the Council when applying for a refund, otherwise they will be treated as lost and you will be charged a £10 administration fee. See **Lost**, **stolen or damaged permits**.

Refunds are calculated as the amount originally paid, divided by the duration in months of the permit, and multiplied by the number of full remaining months on the permit. A £10 administration fee is then deducted. Note that this calculation is made irrespective of whether the permit has yet started.

Refunds are issued in one of two ways

- If bank details are given, by BACS payment direct to your bank account, or
- By cheque within 28 days.

Offences

The following are offences, and the Council may take further action if you are found to be committing one.

False statements

It is an offence to make a false statement in order to procure the issue of a permit to oneself or any other person, and the Council may prosecute under either the Theft Acts or other relevant criminal legislation.

The maximum penalty on conviction or indictment is five years imprisonment and/or a fine on summary conviction, six months imprisonment or a fine of up to £5,000.

Mishandling and forging documents

It is an offence to:

- Use or lend to another person any permit or other authorisation with intent to deceive, and
- Make or have in one's possession anything so closely resembling a permit or other authorisation as to be calculated to deceive.

The maximum penalty on conviction is two years' imprisonment or a fine of up to £5,000.

Parking in a permit bay without a valid permit

It is an offence to park in a business parking bay without having a valid permit even if an application for a permit has been sent to the Council.

Vehicle must be licensed

It is an offence under the Vehicle Excise and Registration Act 1994 (Section 29) to use or keep a mechanically propelled vehicle on a public road if the vehicle is unlicensed, and it is also an offence to use or keep such a vehicle on a public road if the license is not displayed on the vehicle.

More information

You can find more information or get copies of forms

- Online at www.richmond.gov.uk/parking
- By phone by calling 020 8891 1411*
