Our Ref: PP2103_L_03/23_T6 measures IMP

March 2023

Dear Owner / Occupier

New Controlled Parking Zone (Zone T3) – IMPLEMENTATION
Area T6 double yellow lines and footway parking - IMPLEMENTATION

In December 2022 we wrote to you to inform you of the outcome of the parking consultations we carried out in this area last year. The decision was made to implement a new controlled parking zone (CPZ), Zone T3 in roads south of, but not including Somerset Road. The decision was also made not to implement a new CPZ in all roads north of the new Zone T3 area – see attached plan.

Works have commenced to bring the new Zone T3 into operation on **Tuesday 2 May 2023**. The CPZ, which will operate 10am to Noon on Monday to Friday, will apply across the green highlighted area labelled as 'T3' on the plan overleaf.

Whilst no CPZ is being implemented in the roads north of Zone T3, that is, Somerset Road up to and including Strathmore Road (known as Area T6), the proposals for double yellow lines that we consulted you on are to be implemented, along with two new footway parking schemes in York Road and Railway Road on road safety grounds. These measures are being implemented in the coming weeks and appropriate signs will be erected in the locations where the measures are being implemented. We will write to you again to advise when these measures come into force.

Whilst writing, the Council has received a number of e-mails from residents of this area concerning the decision not to implement a new CPZ. The Council is recording and monitoring these e-mails and it will be reviewing the matter later this year. If you wish to contact the Council on this matter, irrespective of what your views are, please write to the Council using the e-mail address at the top of this letter or call 020 8891 1411.

Further information on the new Zone T3 scheme and the measures being implemented in the T6 area can be viewed by visiting the webpage below or by calling the Customer Service Centre on 020 8891 1411.
