

A316 / Lincoln Avenue, Whitton

The mobile was sited on the slip road, parallel to the A316, adjacent to the recycling bins. At this site O₃ and SO₂ only were monitored from March to August 1999. The SO₂ limit was not exceeded, however O₃ levels did exceed the limit for 5 days (15th, 16th, 23rd, 26th & 27th June) during the monitoring period.

Sulphur Dioxide (SO₂), 15 minute mean
Low up to 100ppb

Ozone (O₃)
Running 8 Hour Mean
Low up to 50ppb
Moderate up to 100ppb
