Subject: RE: APP/L5810/C/24/3339372 Petersham Nurseries - noise nuisance details

Dear Simon,

The complaint on 15 August 2022 was received after the event, as a result no officer was sent to investigate.

However, two noise team officers and two police officers attended the site on 25 April 2020 and witnessed noise from the appeal site. They couldn't gain access, but the noise ceased when it appears that those within the site became aware of the police presence (blue light flashing).

I trust that this information is of assistance.

Kind regards,

Edward

Good Afternoon,
Please find the following note for the Inquiry:

Inquiry Note

The Inspector notes that the LPA states that the Council's Nuisance department has received five complaints in respect of use of the appeal site. This information has not been disclosed with the statement of case.

Recognising the need to redact any sensitive information, the Inspector asks that information (e.g., date, time, and nature of the complaints) is sent to him and that it is also shared with the appellants.

If this is not possible for procedural reasons, it can be raised at the CMC next week. The Inspector is aware that this is likely to be discussed at the inquiry.

It is in this context, that he is asking for the information now and in the interests of transparency for both sides. Thank you.

Best Regards,
Jeremy Richards
