First I would like to ask why residents in Teddington Hall did not receive a copy of the council's paperwork/ booklet on Teddington Broad Street [REDACTED] and are a stones throw from the proposals ?

I have been a Teddington resident [REDACTED] I like living in a small town with its parks , river , schools, shops, hospital and transport links . Your proposals will destroy Teddington's residential village character

We are already densely populated: The Travel Lodge-Informer House and other monstrosities built on the hill are an eyesore However did they get passed for planning ?

I oppose ANY more high rise buildings They not only spoil the ambiance of the area. They spoil the outlook of householders.

The Police Station is going to rack and ruin; what is happening to that ?

The traffic congestion in Broad Street is ridiculous. We need wider pavements for safety. Remove the parking spaces and reopen the car park on North Lane. We need a couple of disabled spaces for accessibility

Apart from Tesco and a few really lovely and useful shops , Broad Street is predominately charity shops. Parking and pavements would maybe encourage other independent retailers to open new businesses ?

Elleray Hall and North Lane are both dangerous cut - throughs. Could a one way system be considered ?

I await your comments
