

Local Plan Publication Consultation

From 9 June 2023 to 24 July 2023

RESPONSE FORM

The Council is inviting comments on the Publication version of the Local Plan.

The Local Plan sets out a 15-year strategic vision, objectives and the spatial strategy. The draft Plan includes place-based strategies covering the whole borough, along with accompanying site allocations, as well as the thematic planning policies that will guide future development in the borough. It will inform how growth will be accommodated across the borough. The draft Plan seeks to address future challenges including climate change, health, affordability and liveability.

This consultation is the final opportunity to comment on the Local Plan before it is submitted to the Secretary of State for independent 'examination in public'. At this stage in the planmaking process, in accordance with the national guidance, consultation responses should focus on whether the Local Plan has been developed in compliance with the relevant legal and procedural requirements, including the duty to cooperate, and with the 'soundness' of the Plan. Further detail on these concepts is provided in the accompanying guidance notes available on the website (via the link below).

Setting the Scene		
Reference should also be made in 2.5 to the Localism Act 2011 which requires in Part 6 Chapter 4 Consultation: that there is a 'Duty to take account of responses to consultation' [61X]		
The Act requires: (2) The person must, when deciding whether the application that the person is actually to make should be in the same terms as the proposed application, have regard to any responses to the consultation that the person has received.		
Also Part 1 Chapter 6 Predetermination emphasises:

6 Place-based Strategy for Hampton & Hampton Hill
states:
Overall strategy p30 :
Hampton Hill Residential (A4) has a high sensitivity to change, owing to the high townscape value across much of the area, the consistent building heights, suburban character and sense of green, and the strategy is to conserve and enhance.
Vision p30:
The characteristic local urban scale and rural feel with its parks, green spaces and riverside, will be retained. The 'local urban scale' surrounding the St Clare buisness Park site is predominatly 2 storeys with one exception 3.
P31
Future development in this place is expected, where relevant, to:
There is an opportunity to establish distinctive landmarks, without recourse to tall buildings, to improve legibility, focused along main roads and at key junctions.
St Clare Buisness Park is neither on a main road nor at a key jubction.

1) To make The Plan compliant with the Localism Act 2011 add Reference to the Localism Act 2011
which requires in Part 6 Chapter 4 Consultation that there is a 'Duty to take account of responses to consultation' [61X]
that consultation between decision makers and their electorate in the planning process is encouraged by the LPA
and that a decision-maker is not to be taken to have had, or to have appeared to have had, a closed mind when making the decision just because the decision-maker had previously done anything that directly or indirectly indicated what view the decision-maker took, or would or might take, in relation to a matter.
2) To make The Plan consistent with other policies remove St Clare (Hampton Hill): Mid-Rise Building Zone Appropriate Height: 5 storeys (15m) from Appendix 3 Tall and Mid-Rise Building Zones
