Might not be relevant TE, but is there any way of recording that we tried to call all of our leaseholders through Summer 2020 to ask how they were and whether they would be able to participate in a Virtual Update meeting? CRM notes etc or is that classed as case by case work rather than Consultation and/or Engagement?

Recording available on Ham Close website. SDC - We need a date when that recording was uploaded. Bidder presentations and Q&A and maybe the newsletter were uploaded in January 2021 I think. Need to check on that date.

Are the indicative rents relevant to leaseholders?

includes further FAQs. SDC need to check. We posted a copy of the letter on noticeboards (use the date of the letter) but check with Brett on the date we posted to leaseholders who have provided an alternative address.
