Observation 1

Site allocation 9: Teddington Police Station

I think priority should be given to building as relocation site for the Park Road Surgery

Observation 2

Re Teddington town centre

I support the Teddington Society's view that 5-6 storeys is far too high.

Personally I find the Teddington Business Park e.g. Halfords very convenient and would prefer it to remain.

Observation 3

George Street, Richmond

Why no plans for pedestrianisation? Talk about 20 years behind the times.
