

Our Ref: PP2118\_L\_02/25\_East Sheen CPZ Consultation

February 2025

Dear Owner / Occupier

### **East Sheen Controlled Parking Zone (CPZ), Zone ES1**

In October / November we consulted all residents of East Sheen Avenue (between Park Avenue and Vicarage Road) and Richmond Park Road (between the Upper Richmond Road West and Shrewsbury Avenue), on the possibility of joining zone ES1, in response to petitions from residents requesting parking controls.

The results of the East Sheen Avenue consultation showed:

- 67 properties consulted, 46 responded: 69% response rate
- 23 (50%) support the extension, 23 (50%) are against the extension
- 5 responses from outside the consultation area – 4 are against the extension, and 1 respondent expressed no opinion

The results of the Richmond Park Road consultation showed:

- 112 properties consulted, 49 responded: 44% response rate
- 19 (39%) support the extension, 29 (59%) are against the extension
- 31 responses from outside the consultation area – 26 are against the extension, 4 support the extension, and 1 respondent expressed no opinion

#### What happens next

Due to insufficient support from residents across the consultation areas, the decision has been made not to progress with proposals to extend the zone to either road at this time. Officers will review the extents of double yellow lines in the area and the provision of disabled parking bays outside All Saints Church to see if additional parking can be made available to the community where it is safe and practical to do so.

If you responded to either of our consultations, I thank you for taking the time to make the Council aware of your views.

#### Further information

Further information, including the consultation results and any updates on future changes to be progressed in the area, can be viewed on the webpage below or by calling the Customer Service Centre on 020 8891 1411.
